

MRES VOLUNTEER OPPORTUNITIES

SOLAR BOAT REGATTA
MAY 16, 2009

LAKE PHALEN, ST. PAUL, MN

The Minnesota Renewable Energy Society (MRES) will host the 16th Annual Solar Boat Regatta this spring. The **Regatta** provides an opportunity for middle and high school students (as well as individual boat builders) to build a boat that runs on solar power. They compete in a number of races, culminating with a one-hour endurance race.

MRES is seeking volunteers who would like a great day out of doors. Of course, family and friends are welcome to attend the **Regatta** to cheer on their favorite team. If you are interested in volunteering at the Solar Boat Regatta, need directions, or more information, please call MRES at 612-308-4757 on or before May 11th. The Regatta is a free, public event.

Be prepared to provide the following information:

Name; Mailing Address; Phone Number; Email Address; Available Times

Opportunities Available:

- ✓ Volunteer and Racer Registration
- ✓ Set-Up Team (flags, buoys, PA system, tables, banners)
- ✓ Team "Dock" Assistants
